

SPONSORSHIP INVITATION

FOR SEASON 2019/2020

The Game Fishing Club of Northern Tasmania Inc. (GFCNT) is an incorporated, not-for-profit sporting club. Season 2019/20 saw us with a membership base of 147 members, including adults, and 31 juniors and small fry. We continually work towards increasing our membership base, by offering fantastic competitions, and actively encouraging family membership.

The GFCNT is affiliated with the Tasmanian Game Fishing Association (TGFA) and the Game Fishing Association of Australia (GFAA), which set strict fishing rules to promote sustainable and ethical fishing practices. The GFCNT is also actively involved with government research facilities like the CSIRO and NSW Fisheries Tag and Release programs run throughout Australia, which also support these objectives.

Our Committee are in the planning stages of Season 2019/20, and are looking for sponsors who, like the GFCNT and its members, share a passion for recreational fishing in Tasmania, and an interest in promoting this wonderful family based recreational activity. It is the support and sponsorship from business like yours that help our community-based sports fishing club grow and be successful year after year.
